

MathWorks Software License Agreement for Named User Licenses

I understand that MATLAB, SIMULINK, and MATLAB toolboxes, are copyrighted, propriety works belonging to The MathWorks and are made available for installation on systems at Virginia Tech under terms of the license agreement with The MathWorks. This license is in effect from July 1 - June 30 and may be renewed on an annual basis.

I agree to be bound by the following terms:

1. Copies of the machine-readable programs may NOT be sold, loaned, given, or in any way conveyed to individuals who are not Virginia Tech faculty or staff or certain affiliates. This software can only be used for purposes of classroom instruction, coursework, and non-commercial research.
2. MathWorks Software may be installed on systems owned by Virginia Tech as well as personally owned computers for academic-related purposes only. MathWorks adheres to all export control laws, which regulate use or access to the software from restricted countries.
3. I agree to remove MathWorks Software from the licensed system(s) if the MathWorks Software license is discontinued at Virginia Tech.
4. I understand that each license I purchase may be installed on only one machine, and that my department is responsible to track the licenses and keep accurate records for audit purposes.

THE NAME, SIGNATURE AND PID MUST BE FOR THE PERSON THAT WILL PERFORM THE MATLAB INSTALLATION
