

## Adobe Creative Cloud for Teams Named User Agreement

- 1) I agree not to reverse engineer, decompile, translate, localize or disassemble this software or software products.
- 2) I acknowledge that these software products are copyrighted and that Adobe retains all title and ownership rights to the product.
- 3) I acknowledge that I will not make copies of the software for distribution and will not permit access to the software by others. Except for installation on the machine license herein, I will not reproduce nor permit reproduction of the software in any form.
- 4) I agree that when I register the software I will do so under my Virginia Tech email address.
- 5) Use of this software is restricted to the single, designated Named User. The software and software products may be installed on one primary computer and one backup machine, provided the programs are not used concurrently.

I have read this Agreement, understand it, and accept its terms.
